PRESIDENT'S MESSAGE

Greetings!

After all we have been through in the last few years, I think I can speak for all of us when I say we have learned to prioritize - To celebrate that which is...and becomes the most important. For me....that's family. Oh....I know...some of us have very challenging ones...but let's be honest..it's also what we cling to when push comes to shove.

I am so pleased that this year's fair is focusing on just that. Our theme, "Family Ties and Homemade Pies", is bringing in that which pulls us together...and feeding us. My dad always said, "There is always time for a homemade pie!" Of course he almost always followed that sentence with, "There is no bad pie...some are just better than others!" Let us laugh!!

We have a great team of Directors and Volunteers already putting the 2024 Durham Fall Fair into place. It really could NOT be done without them! I would like to take a minute to just say a big "THANK YOU" to all the sponsors and those who have partnered with us to make it happen. We've added new events, fixed some and kept shining the ones that already sparkle.

So....set aside this message as a "Save the Date" and Join us for the Durham Fall Fair running August 30th, 31st and September 1st. There is sure to be something for everyone. Read through this book-prepare to enter...and be entertained. It's gonna be a whole lot more for 2024!

Please....join us...bring your family!

Looking forward to seeing you!

**2023-2024 SENIOR AMBASSADOR
BRADEN BARTLETT**

Oh, how time flies! From September of 2023, with the excitement of competing for the ambassador program, to living the whole experience. To be the Durham Fall Fair Ambassador is such an honour, and I am humbled to pass the torch on to someone else.

Over your journeys while being Ambassador, you will get the chance to attend many new and exciting events. Whether it's the OAAS convention where you will meet many other ambassadors, district meetings, local events, and even the CNE (Canadian National Exhibition)! At these events, I have had the opportunity to meet many new people and make new friends in the process. I've been fortunate to meet my fellow ambassadors from all over the province, who I am now good friends with. Together we learned how we can improve our communities, and our fairs while embracing our skillset as young individuals.

The Durham Fall Fair has its own special aura that can bring everyone together. Regardless of whether you are young or old, born on the farm or new to the rural area, the Fair will always be a fun time that is inviting for everyone. There is no better opportunity to represent your community all while having a good time and making good memories than running for Ambassador. I have learned and gained so much experience from my time as ambassador and I encourage anyone of age to run for it at this year's fair! I would also like to thank my sponsor Riverwood Gardens for sponsoring me as I ran for ambassador, and the Durham Agricultural Society for making it a great experience!

FREQUENTLY ASKED QUESTIONS

1. Do I have to be from a farm to be an Agricultural Ambassador? ****NO!** Any youth, male or female, between **12 and 16 years**, or between **17 and 23 years**, who is willing to represent our community is invited to participate.
2. Do I have to do something every weekend if I win? ****NO!** We have our expectations for Fair Day, 2 District Meetings, Fundraiser Dinner, a few Community parades and small events, but anything else is up to you.
3. Do I have to sacrifice school or family time? ****Absolutely not!** We really promote both, so we would be happy to work with you on things that are important to you.
4. Do I have to attend the monthly meetings that the Agricultural Society has? ****Not unless you want to.** It would be good for us to have your input, because youth is Our future, but if you can't make it, you can send an email or letter with your suggestions.
5. **What happens if I don't win? **We still need you!** Your sponsor would like to see their advertisement all over the fair, so we would like you to be a part of the parade on Sat. and then help hand out awards and ribbons. There are way too many things for the Ambassador winner to do alone! There are photo opportunities all over the fair, and we want lots of pictures for next year's fair book. Then, we would love to see you back next year to try again!
6. Do I have to get my own sponsor? ****Not necessarily.** Sponsorships cost \$75.00 for a SR and \$75.00 for a JR, and sometimes you know someone who may wish to sponsor, but if you don't, we can find one for you. Sponsorship money covers your sash, pre-competition dinner and advertisement for your sponsor. **Don't forget ... the winner receives gifts and cash!** (\$300.00 prize award for SR and \$100.00 for JR).

2023-2024 JUNIOR AMBASSADOR SOPHIA MANION

My whole life I have always enjoyed going to the fall fair. This year I got to enjoy it on a deeper level as the 2023-2024 Junior Ambassador, and I am so grateful for that opportunity. Through this program I have met so many amazing people and established great connections to my community. Since becoming the junior ambassador in September, I have learned and experienced so much. The first thing I got to do was spend three amazing days at the fair where I was handing out ribbons and selling raffle tickets for the fire pit at the tractor pull. I also got to attend some of the other Fall Fairs in our areas where we got inspiration for new ideas we could bring to our own fair. I have also gone to the DAS meetings where we discussed things like the fair and community events. I have also had the opportunity to attend the fall and spring District 10 meetings where we were able to meet with lots of other ambassadors across the district and learn new skills.

I also got to meet people in the community when we were in parades and handing out candy at the town halloween walk. My personal favorite so far has been the bingo night where I got to help out in the kitchen. Throughout the last few months I have also further developed some skills. Like my public speaking skills, by putting me in front of crowds. I can confidently say that I am a lot more comfortable talking to new people now as well.

I am so grateful to have had these opportunities and to meet all of these people. This program has allowed me to create lifelong friendships and memories that I will never forget and I could not be more thankful. To anyone considering running for ambassador please do it! It is an amazing experience and you will not regret it.

Thank you to the Agricultural society for all of the hard work and support they have shown throughout the last year. Our community is lucky to have such amazing people like you. I would also like to thank my sponsor, Manion Family Maple Syrup because without them I would not have had this opportunity. This has been such an amazing opportunity and it feels like it has gone by too fast, but I know that the next ambassador will enjoy it just as much as I have.

Family ties are precious things woven through the years, of memories and togetherness, of laughter, love and tears. Family ties are cherished things forged in childhood days, by love of parents deep and true, by tradition, by family ways. Family ties are treasured things and far though we may roam, the tender bonds with those we love still pull our hearts toward home.

Pie

Baking in the kitchen
to make a pumpkin pie,
be sure to have a slice
before you say goodbye.

Section 10-2: Grade 2: poem provided below:

Apple Pie

The best pie,
Is apple pie.
I got it in my eye.
I won't die,
Because it's
Apple pie!!!

Section 10-3: Grade 3: poem provided below:

Peach Pie

Peach pie caught my eye.
Grabbed a fork,
Oh my!
Chewed and swallowed -
Huge sigh!
Peach pie,
bye-bye.

Section 10-4: Grade 4: poem provided below:

Pumpkin Pie!

By: Susan Hansen
Oh! My!
Pumpkin pie!
I must get some or I'll cry!

Sweet and yummy,
In my tummy!
Smooth and dreamy,
All whipped creamy!

May I have some
Pumpkin pie?

Section 10-5: Grade 5: poem provided below:

Apple Pie

By Penny Parker Klostermann
I can see the apple pie
I smell the sweet, spiced treat.
I can hear the timer ring.
That says it's time to eat.
I can feel the steam, so warm,
Rising in the air.
I can taste the juicy filling.
Would you like to share?

Section 10-6: Grade 6: poem provided below:

Pumpkin Pie

By: Tanja Tlusty
Yummy, yummy pumpkin pie.
Just looking at you makes me sigh!

So delicious and creamy,
When I look at you, I get all dreamy!

Yummy, yummy pumpkin pie.
Ooh a dollop of whipped cream on top, oh my!

I could eat the whole pumpkin pie, oh yes I could.
But then the rest of my family would get mad,
yes they would!

Section 10-7: Grade 7: poem provided below:

Pumpkin Pie

By: Susan Jennings
Let's make a sweet treat,
Something very good to eat.

Measure, count, mix and pour,
Into the oven, shut the door.

Wait and wait, smells so sweet,
When will it be time to eat?

Timer rings, the baking's done,
Making pie was so much fun.

Cut a slice and then cut two,
Pumpkin pie for me and you!

Section 10-8 Grade 8: poem provided below:

Pumpkin Pie

By: Ima Ryma
My main component - native one
From America, Greek to me,
As a melon cooked by the sun.
Thanks to smart folks, I came to be,
And now am a Thanksgiving must,
And popular in poem and song.
I am an icon people trust.
To spice the holidays along.
The world's largest of me was made
Twenty ten, Bremen, Ohio,
Thirty-eight hundred pounds I weighed,
Twenty feet diameter - whoa!
What a piece of work! What am I?
I, of course, am a pumpkin pie.

6. Hook pulling point must not exceed 20" in height or interfere with hook. Pulling point must not be less than 18" from centre of axle (vertical hooks that allow hook to slide up, measurement will be taken at official's discretion).
7. Engine speed shall not be more than factory RPM plus 10%. All RPM limits apply to tractor chassis tag.
8. Tractors must have stock or manufacturers replacement parts.
9. No tractor shall have duals, tire chains, cut tires or any intentionally altered tires.
10. Tractor must be weighed after pull.
11. Gas, diesel or LP fuels only. Engines must be same # of cylinders, same manufacturer and same fuel types as original. No adapter plates, carburetors, manifolds, injection pumps, turbos, fuel systems or exhaust systems. Governors must be stock locations and must maintain original appearance. No secondary fuels (alcohol, NOS, propane injection, etc.). Governor shall be working – no wire or strings attached.
12. Tractor must remain in neutral while being hooked or unhooked. Operator to keep both hands in air while being hooked or unhooked.
13. Driver should remain seated during the pull and be in complete control of the tractor at all times.

18. Pull is over when forward motion has ended and all tractors must stop immediately upon signal from officials.
19. A tractor may pull only once in each class. Pull officials decide number of classes each tractor may enter in excess of two.
20. All pulls must start with a tight hitch, and a green flag. No jerking permitted. Contestants will be allowed two consecutive attempts before 75' without reset.
21. First puller in each class has the option of a re-pull. A re-pull will be in 3rd position. The 2nd attempt counts.
22. If tractor jumps out of gear or stops due to engine failure, you may restart at the spot you stopped.
23. If a 'pulling tractor' should develop engine failure, it may drop out and pull again at the end of that class, as determined by track officials and only if time permits.
24. No weights on platform OR behind the rear axle.
25. If the "Rules and Regulations" form is not signed, NO PULL.
26. Pullers MUST obey officials. The interpretation & application of the above set rules are at the discretion of the Pull Committee. The decision is final from the weigh master, flagman and track officials. Violation of the rules, or arguing with the officials will constitute a disqualification. Although competitive, this pull is intended to be fun.
27. Contestants shall have their own liability insurance and provide proof upon request.
